The advertising of a cooperation partner is about 30 hours per month visible at various locations.

The following placements are included in the advertising package:

Whenever the system is actively used, ad banners are displayed: In livestream, local game and training.

In addition, the logos of all cooperation partners are linked on the websites of all our locations.

When the system is inactive (when nobody is actively playing or training), videoclips, logos or graphics of the cooperation partners are displayed on the TV.

Apart from this, further agreements such as naming tournaments may be arranged in special cases.

All specifications are exclusive of legal VAT, custom duties and expenses --- binding to the CPI (VPI) of the Austrian Central Statistical Office.
