---

**Highly regarded prospect,**

thank you very much for the interest in our cooperation offer concerning the project

## **MYWEBSPORT WORLD ASSOCIATION next 100 (MWA next 100)**

MYWEBSPORT was developed to connect billiard clubs and billiardplayers worldwide. There are currently 19 systems in operation worldwide (18 in Europe, 1 in South Korea). After realization of MWA next 100 more than 5,000 players and 20,000 spectators will participate in the regular tournaments and trainings of MYWEBSPORT. The activities are organized by MYWEBSPORT WORLD ASSOCIATION (MWA). MYWEBSPORT was designed for carom billiards in the current version.

All information can be found on our homepage – [www.mywebsport.com](http://www.mywebsport.com)

Billiards is one of the most popular games in the world. The market potential of MYWEBSPORT is worldwide with several tens of thousands of installations and many millions of players.

Your company has the chance to present itself in the big community of billiard clubs and players.

In order to provide you with more details of MYWEBSPORT and the opportunities for cooperation, you will find a presentation in which the MWA-next100 project is explained briefly and vividly.

If you are interested in a cooperation, we would be pleased to present our project in detail.

The details can be requested by phone or email.
